

Fragile Soul Support Group for Survivors

What is Domestic Violence?

It is a pattern of controlling behavior—violence or threat of violence—that a person uses to establish power over their partner in order to control their actions and activities.

National Domestic Violence Hot Line

Do you feel like a prisoner at home? Does your partner do any of these:

- Call you names and insult you?**
- Does not allow you to get a job?**
- Threaten you?**
- Hit, push, or pull you?**
- Abuse your kids?**
- Control your money?**
